We also confirm by ticking the boxes below against each item that our team is eligible because:

<input type="checkbox"/> Our team has a minimum of 2 people and a maximum of 4 people whose names are as above.
<input type="checkbox"/> At least 2 team members must be citizens of the Republic of Rwanda.
<input type="checkbox"/> All members of the team must be signed-up to the 1000 Alternatives Facebook Page.
<input type="checkbox"/> The submissions will be uploaded on/before 11:59 PM Rwanda Time on the 28th of February 2020.
<input type="checkbox"/> We have and will work out amongst ourselves any agreements, ownership rights and engagements before, during and after the competition.
<input type="checkbox"/> We understand that we can only change our team members up until the submission deadline.

We also confirm by ticking the boxes below against each item that our venture is eligible because:

<input type="checkbox"/> Our venture has not been formed or been in operation or been incorporated earlier than 24 months before the 28th of February 2020.
<input type="checkbox"/> Our venture has not yet received any funding or investment in exchange for equity or ownership from outside the founding team, friends and family (including forms of convertible investment).
<input type="checkbox"/> Our venture has not or has qualified for grants, but grants are not tied to equity, ownership or voting rights of any kind.
<input type="checkbox"/> Our venture has no restrictions and the business sector it operates and its business activities are/will be legal.
<input type="checkbox"/> Our venture uses ICT technologies in at least 50% of its execution. The explanation as to how is provided below: <hr/> <hr/> <hr/> <hr/>
<input type="checkbox"/> Our venture has a profitable business model and has a clear impact model towards creating opportunities for better education, better health, better agribusiness, better access to markets and better technology for housing and better technology for city living.
<input type="checkbox"/> We are responsible for any information that they share as part of the competition. 1000 Alternatives and its partners take no responsibility for unwanted or unintended disclosure of protectable ideas or content shared by the participants or teams. We have been advised to seek our own legal counsel to clarify any questions regarding the protection of our ideas or content.
<input type="checkbox"/> We understand that submission of an entry to the competition is an automatic permission for 1000 Alternatives (Rwanda) to make submitted venture summaries and plans available publicly. We know that videos of each pitch will be uploaded and made available online after each demo and pitch session and we agree that the general public is allowed to view and to vote on the same.
<input type="checkbox"/> If we win a cash prize then we must incorporate a company in the Republic of Rwanda and the team named in this checklist must be shareholders on the company's documents.
<input type="checkbox"/> If even one team member named on this checklist is no longer involved in the venture by the time of the prize being awarded, all the team members named on this checklist will have to submit a written approval to be submitted with a claim of the prize money.
<input type="checkbox"/> We will need to incorporate their company legally, within six weeks after the official announcement.
<input type="checkbox"/> Our registered company must have an official account with the necessary bank details. We understand that the disbursement of funds will be to this account only and not to individual founding members' accounts and further that all exchange rate gains and losses will be to this company's account.
<input type="checkbox"/> We also confirm that our receipt of cash prizes indemnify 1000 Alternatives and partners from any and all tax obligations with regards to the prize money.
<input type="checkbox"/> We confirm that we understand that failure to comply with the requirements that enable 1000 Alternatives to transfer cash prizes within six weeks of our winning the same and/or our refusal to participate in the post-awards incubation programmes and missions will lead to the automatic forfeiture of all prizes.
